

Ignite Bold 50 | 60 | 74

230V/50Hz | 27 Watt

Experience Better Living

Built In

Designed to impress, the Ignite Bold is a stunningly realistic electric fire infusing atmosphere and warmth into any room. This model comes in three different sizes, 50", 60", and 74", and with the unique linking kit, you can connect multiple fires together to create an even longer fireplace, making the Ignite Bold the perfect solution for both domestic and commercial applications. Combining design Inspiration with the very latest technologies, this stylish fire provides an eye-catching flame experience through the Optiflame effect, originally crafted by Dimplex. This modern, built-in fire comes with a mirror effect that increases the depth of the fire, plus with the high viewing glass, you will be captivated by the mesmerizing flames dancing over the realistic logs providing a warming glow.

- **Bigger better tinted glass** - offering a panoramic view of the mesmerizing flames from every angle.
- **Choice of installation options** – 1, 2 or 3-sided fireplace, the possibilities for customization are endless.
- **Patented ComfortSaver technology** – energy efficient heater offering up to 11% saving on energy costs
- **Flame Connect App** – change the fire experience to your liking all by the touch of a button.
- **Fully customizable** – allowing you to select flame and media bed colour, brightness and flame speed to your preference.
- **Smart self-diagnostics** - Integrated smart technology which enhances the performance of your fire by providing maintenance and operation feedback Comes with patented ComfortSaver® technology, offering up to 11% saving.

3 installation options. Can be built in as a 1, 2 or 3-sided fireplace.

Possibility to connect multiple units together.

Optiflame technology, calming flames above the a colourful glow bed.

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately.

Comes as standard with a logset and tumbled glass. Optional realistic oak-look logset.

Ability to switch between glow bed colours.

Colour alternating flame effects.

Powerful fan-assisted heating by safe element that provides additional heating on demand.

Patented ComfortSaver heating system.

7 Day Programmable Timer.
